TERMS OF SALE

1. DEFINITIONS

a. AUTOMATIC BID

Also known as “bid by proxy” wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. In the case of online auctions, computers have automated the proxy role and bidders establish their bid limits online and the software answers bid challenges by automatically making the next bid increment up to the proxy limit.

b. BACKUP BIDDER

The term “Backup Bidder” refers to the bidder, whose bid conforms to the terms and conditions of the IFB, is the second-highest dollar bid at the close of the auction and is determined by the Government to be the second most acceptable bid.

c. BIDDER(S)

The term “Bidder” or “Bidders” as used herein refers to the offeror or offerors for the purchase of the subject Property, and is used interchangeably with “you.”

d. BID INCREMENT/INTERVAL

The “Bid Increment” is the minimum amount of money required to increase a starting or current bid. “Bid Interval” is the maximum amount of time in which to make a bid before the auction ends. The Bid Interval is also referred to as the Inactivity Period at [RealEstateSales.gov](https://www.RealEstateSales.gov).

e. CLOSE TIME

Close Time is stated on the RealEstateSales.gov website in the “Item Information” section and represented by the Time Remaining countdown clock as the time remaining for making bids. **Online auction sales cannot end on Weekends or Federal Holidays.**

f. EARNEST MONEY

The term “Earnest Money” refers to the Bidder’s deposit of money demonstrating the Purchaser’s good faith offer to the Government to fully execute and comply with all terms, conditions, covenants and agreements contained in any contract resulting from the Government’s acceptance of the Bidder’s offered bid price. Once a bid is accepted by the Government for a contract, all prior deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to the benefit, custody, accountability and control of the Government.

g. FLAT BID

A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid but it will not be considered the current (winning) bid.

h. GENERAL SERVICES ADMINISTRATION

The term “General Services Administration” (“GSA”) as used herein refers to the United States General Services Administration, a federal agency conducting this sale in agreement with the United States Coast Guard (“USCG”). The United States Coast Guard has full custody of and all accountability for all matters, known and unknown, concerning the physical, title, and environmental condition of the Property.

i. GOVERNMENT

The term “Government” as used herein refers to the United States of America, and is used interchangeably with “Seller” and “Grantor.”

j. HIGH BIDDER

The term “High Bidder” refers to the bidder, whose bid conforms to the terms and conditions of the IFB, is the highest dollar bid at the close of the auction and is determined by the Government to be the most acceptable bid.

k. INVITATION FOR BIDS

The term "Invitation for Bids" ("IFB") refers to this document and the following items that are attached hereto and incorporated herein: the Property Description; Terms of Sale; Instructions to Bidders; Notice and Covenants and/or Bidder Registration and Bid Form for Purchase of Government Property, Exhibits and Additional Documents. Should the aforementioned documents be modified or supplemented by any addenda or amendments, or replaced by a new issue, issued by the Government prior to the conclusion of the online auction, those modifications, addenda or amendments, shall be part of the reissued IFB.

l. PROPERTY

The term “Property” refers to the property or properties described in the Property Description of this IFB.

m. PURCHASER

The term “Purchaser” refers to the bidder whose bid the Government accepts and is used interchangeably with “Buyer” and “Grantee.”

2. DESCRIPTION PROVIDED IN IFB

The description of the Property, and all other information provided with respect to the Property set forth in the IFB, are based on the best information available to GSA, Real Property Disposition (PIE) and are believed to be correct. Any error or omission, including but not limited to, the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall NOT constitute grounds or reason for nonperformance of the contract of sale, or claim by Purchaser for allowance, refund or deduction from the purchase price. The IFB is made available at Realestatesales.gov and may be modified and amended by the Government at any time prior to the conclusion of the auction. Bidder agrees and accepts that notices of any changes to the descriptions provided in this IFB are satisfactory when made available on either or both of GSA’s real property disposal websites at RealEstateSales.gov and/or disposal.gsa.gov.

3. INSPECTION

The Property will be made open for inspection at the following times:

TBD

No one will be allowed access to the Property without the presence of a GSA employee or designee.

Bidders are invited, urged, and cautioned to inspect the Property prior to submitting a bid. Photos provided by the Government may not represent the condition or existence of any improvements of the Property and are NOT to be relied upon in place of the Bidder’s own inspection. Any maps, illustrations or other graphical images of the Property are provided for visual context and are NOT to be relied upon in place of the Bidder’s own inspection. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the auction.

4. CONTRACT

The IFB and the bid, when accepted by the Government shall constitute an agreement for sale (“Agreement”) between the high bidder (“Purchaser”) and the Government. Such Agreement shall constitute the whole contract to be succeeded only by the formal instrument(s) of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. In addition, the Purchaser shall not transfer or assign the Agreement without the express written consent of the Government. Any assignment transaction without such consent shall be void.

5. CONDITION OF PROPERTY

The Property is offered for sale **“AS IS” AND “WHERE IS”** without representation or warranty, expressed or implied. An “As Is, Where Is” provision will be included in the Deed Without Warranty and is provided in the Notices and Covenants section.

6. ZONING

Verification of the present zoning and determination of permitted uses, along with compliance of the Property for any proposed future use, shall be the responsibility of the bidder; and the Government makes no representation in regard to zoning matters. 7. RISK OF LOSS

As of the date of assumption of possession of the Property or the date of conveyance, whichever occurs first, the Purchaser shall assume all responsibility for care and handling and all risks of loss or damage to the Property, including but not limited to all buildings and other improvements located thereon, and assume all obligations and liabilities of ownership and no claim for any allowance or deduction upon such grounds will be considered after the conclusion of an auction.

8. TAXES, ASSESSMENTS AND OTHER COSTS

As of the date of assumption of possession of the Property, or the date of conveyance, whichever occurs first, the Purchaser shall assume responsibility for all general and special real and personal property taxes or other assessments which have been or may be assessed on the Property, and for all sums due to be paid by the Government in lieu of taxes, which amount shall be prorated.

9. REVOCATION OF BID AND DEFAULT

Purchaser agrees that bids made to purchase the Property are binding offers and once accepted for contract by the Government, all deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to the benefit, custody and accountability of the Government.

In the event of (1) revocation of a bid after the conclusion of an auction, but prior to acceptance of the high bid by the Government, or (2) in the event of revocation of a bid after notice of acceptance, or (3) in the event of any default by the Purchaser in the performance of the contract of sale created by such acceptance, or (4) in the event of failure by the Purchaser to consummate the transaction, the Purchaser agrees that any Earnest Money and all deposits paid to the Government in any acceptable form, including credit card, together with any payments subsequently made on account, are subject to forfeit by the Purchaser to the Government at the option of the Government as damages for breach of contract, in which event the Purchaser shall be relieved from further liability. Purchaser agrees that all deposits made with credit cards are subject to forfeit upon Government determination of Purchaser’s default and breach of contract. Purchaser shall not request retrieval, chargeback or any other cardholder refund.

USCG Port Lavaca Housing, Port Lavaca, TX 77979

Purchaser agrees and understands that a debt to the United States of America subject to claim or collection by applicable Federal law may be created if their Earnest Money is in any way made unavailable to the Government and that any party that knowingly participates in such retrieval or refund may be held fully accountable for interfering with a Government contract.

10. GOVERNMENT LIABILITY

If the Government accepts a bid for the purchase of the Property and (1) the Government fails for any reason to perform its obligations as set forth herein; or (2) title does not transfer or vest in the Purchaser for any reason, although Purchaser is ready, willing, and able to close; or (3) any other contractual claim or cause of action hereafter accrues in favor of Purchaser under the terms of this IFB, Government's liability to Purchaser shall be strictly limited to all amounts of money Purchaser has paid to Government without interest whereupon Government shall have no further liability to Purchaser.

11. TITLE EVIDENCE

Any bidder, at their sole cost and expense, may procure any title evidence that the said bidder desires. The Government will, however, cooperate with the Purchaser or their authorized agent in this transaction, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and Property involved, as it may have available. It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a bid for the purchase of the Property is accepted, a quitclaim deed or a deed without warranty in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide title insurance.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that they have not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" includes, among others, licensed real estate brokers engaged in the business generally.

15. CONTINUING OFFERS

Each bid received shall be deemed to be a continuing offer for sixty (60) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of the sixty (60) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Prior to closing, the Purchaser or Purchaser's agent must open an escrow account with an independent, unaffiliated escrow company ("Escrow Holder") to handle the closing. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.

USCG Port Lavaca Housing, Port Lavaca, TX 77979

The closing date of the sale is thirty (30) calendar days after acceptance of the bid. Upon written agreement by the Government, the Purchaser may close the transaction prior to the thirty (30) calendar day period.

On the closing date, the Purchaser shall tender to the Government (or to the Purchaser's Escrow Holder) the balance of the purchase price in the form of a cashier's check, certified check or electronic wire transfer. Upon confirmation that Purchaser's wire transferred funds have been received by the Government or that Purchaser's funds by check have been confirmed to the satisfaction of the Government, (the Purchaser's Escrow Holder shall record the instrument, or instruments, of conveyance and provide copies of the recorded instrument(s) to the parties) the Government shall deliver the instrument, or instruments, of conveyance to the Purchaser's Escrow Holder for recordation. Possession of the Property will be assumed by the Purchaser at the time of closing. The Government reserves the right to extend the closing date for a reasonable amount of time.

17. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$500.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

18. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Within five (5) business days from receipt of the executed deed, the Purchaser (or the Purchaser's Escrow Holder) shall record the quitclaim deed in the official records of the county. The Purchaser (or the Purchaser's Escrow Holder) shall provide GSA a conformed copy of the recorded Deed Without Warranty within five (5) business days of recording to the following address:

Only upon verification of your Registration Deposit, will you be allowed to bid. All Registration Deposits received will be deposited with the U.S. Treasury, in a non-interest bearing account, immediately upon receipt.

- b. To complete the bidder registration process, please submit the completed Bidder Registration and Bid Form for Purchase of Government Real Property, along with the required Registration Deposit to:

**U.S. General Services Administration
Office of Real Property Disposition (PIE)
819 Taylor Street, 11th Floor

Attn: Kristy Daniells**

If the Registration Deposit is to be provided by credit card, the Bidder Registration and Bid Form can also be submitted to GSA by fax at (817) 978-3007.

- c. It is the responsibility of the bidder to ensure that adequate time is available to complete the registration process as described above. The identity authentication process, through Login.gov, requires a bidder to provide additional information to be able to bid on a property. GSA personnel cannot assist with any issues or errors in registering through Login.gov. Prospective bidders should review the information at <https://login.gov/help/> or contact the Login.gov help desk by viewing the Login.gov Contact Us page <https://login.gov/contact/>. GSA makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. Only fully registered bidders will be allowed to participate in the sale.
- d. Registration may occur any time prior to the conclusion of the auction. The Government, however, makes no representation or guarantee that your registration will be completed prior to the announced date and time for the receipt of final bids. Therefore, bidders are encouraged to register with Login.gov before an auction and complete the requirements of this Paragraph 5 and its subsections at the start or of before an auction. If you have any questions regarding the registration process, please contact GSA at (817) 247-4421 or by email at betina.alcantar@gsa.gov.

6. BIDDING IN GENERAL

- a. Registered bidders may bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your email and password.
- b. Bids received through RealEstateSales.gov are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.
- c. Bids must be submitted without contingencies.
- d. Bidders that are currently in default status will not be allowed to place bids for real property.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at (817) 247-4421. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA's real property disposal websites at RealEstateSales.gov and/or disposal.gsa.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place either a flat or automatic ("proxy") bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder's automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder's automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. RealEstateSales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction's reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction's reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid, if you want to continue bidding. If you chose to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount, if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a bid.
- f. Failure of bidder to properly identify the bid.
- g. Security of bid data.
- h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA at (817) 247-4421 for assistance.

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

10. CLOSE OF AUCTION

- a. Posting of the Close of Auction. The Government will post on [the Website](#) the date and time on which the auction is anticipated to close (shown on the Website as "Bidding Ends" (hereinafter stated as "Close Time")). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as "Time Remaining").
- b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the "Inactivity Period") and is posted under the "Bidding Details" tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. At its option, the Government may adjust the Inactivity Period for less than 24 hours at intervals of 240 minutes (4 hours) or less. When this occurs, the Time Remaining and Close Time will adjust accordingly (see Paragraph c below).

In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.

- c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, online auction sales cannot end on Weekends or Federal holidays. An Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Federal Holidays are available by search at the Office of Personnel Management FAQs. When the Inactivity Period is set for less than 24 hours, the auction will not close outside of open business hours. Business hours are 8:00 a.m. to 5:00 p.m. Central Time.

Bidders are responsible for monitoring the Website for the posting and any changes to the Close Time, the Inactivity Period, and the Time Remaining. Bidder agrees that notices of changes to the sale are satisfactory when made available on the Website at RealEstateSales.gov

11. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BID EXECUTED ON BEHALF OF BIDDER

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

14. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within three (3) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit Earnest Money in the form of a bank certified or cashier's check or wired funds transfer, equal to at least ten percent (10%) of the total bid in addition to any prior credit card deposits. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit. Upon receipt of the Earnest Money deposit, applicable credit card registration deposits may be refunded.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within thirty (30) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

16. REFUND OF REGISTRATION DEPOSITS

USCG Port Lavaca Housing, Port Lavaca, TX 77979

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property. Registration Deposits provided by credit card will be credited to the same account number provided.

Upon receipt of the Earnest Money described in Paragraph 15, credit card deposits may be refunded.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Return of registration deposits by check will be processed in a timely manner but may require several days before the deposit is returned. Refunds to a credit card will usually be processed within three business days.

17. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

18. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at <https://disposal.gsa.gov> or RealEstateSales.gov.

19. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

NOTICES AND COVENANTS

The following Notice and Covenants will be inserted in the Deed.

This covenant shall not apply to the extent that such additional remedial action, response action or corrective action, or part thereof, found to be necessary is the result of an act or failure to act of the Purchaser, its successor(s), assign(s) or any party in possession after the Closing Date that either:

- A. Results in a release or threatened release of a hazardous substance or a petroleum product or its derivative that was not located on the Property on the date of this conveyance, OR
- B. Causes or exacerbates the release or threatened release of a hazardous substance or a petroleum product or its derivative the existence and location of which was known and identified to the applicable regulatory authority as of the Closing Date; OR

- A. The claimed hazardous substance or petroleum product, or its derivative, requiring remedial action, response action, or corrective action was located on the Property prior to the date of this conveyance in such quantity that the requested remedial action, response action, or corrective action by the Government was required under law applicable at the time of this conveyance; and
- B. The need to conduct any remedial action, response action, or corrective action, or part thereof is, and was not, the result of any act or failure to act by the Purchaser, its successor(s), or assign(s) or any party in possession.

Pursuant to CERCLA Section 120(h)(4)(D)(ii), 42 U.S.C. § 9620(h)(4)(D)(ii), the Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action on this Property, or on adjoining property. This reservation includes the right of access to, and use of, available utilities at reasonable cost to the Grantor. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property.

Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors, shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation, and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. ASBESTOS CONTAINING MATERIALS

1. The Purchaser is warned that the Property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
2. The Purchaser is invited, urged, and cautioned to inspect the Property to be sold. More particularly, the Purchaser is invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government assisted

USCG Port Lavaca Housing, Port Lavaca, TX 77979

bidders in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). The Purchaser shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.

3. No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of the Purchaser to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
4. The description of the Property set forth in the IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
5. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
6. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

PESTICIDES

The Grantee is notified that the Property may contain the presence of pesticides that have been applied in the management of the property. The United States knows of no use of any registered pesticide in a manner inconsistent with its labeling and believes that all applications were made in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA -- 7 U.S.C. Sec. 136, et seq.), its implementing regulations, and according to the labeling provided with such substances. Furthermore, that in accordance with the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA -- 42 U.S.C. Sec. 9601, et seq.), the use of such substances is not a "release" (as defined in CERCLA, 42 U.S.C. Sec. 9601 (22)), but instead the use of a consumer product in consumer use (42 U.S.C. Sec. 9601(9)), and the application of a pesticide product registered under FIFRA for which recovery for response costs is not allowed (42 U.S.C. Sec. 9607(i)).

NOTICE OF CZMA

The Property is located within the Texas Coastal Zone. Any use of the conveyed Property will be subject to coastal management regulations and other applicable Federal, state, and local statutes, and ordinances relating to coastal management.

POSSIBLE PRESENCE OF MOLD NOTIFICATION

- a. The Grantee is notified that various forms of mold may be present at various locations in the subject building(s) on the Property. Molds and mold growth may create toxins that can cause adverse health reactions to some humans after exposure, and which falls within the CERCLA "Limitations on Response" standards found at 42 U.S.C. 9604 (a)(3). The Federal Government has not set Standards or Threshold Limit Values for airborne concentrations of mold or mold spores.
- b. Information provided to Grantee with respect to the Property is based on the best information available to the U.S. General Services Administration and is believed to be correct, but any error or omission, including, but not limited to the omissions of any information available to the agency having custody over the Property and/or any Federal agency, will not constitute grounds for liability for damages against Grantor for personal

injury, illness, disability, or death, to the Grantee, its successors, assigns, employees, invitees, or any other person subject to the Grantee's control or direction.

A. All existing easements for public roads, streets, highways, railroads, pipelines and public utilities, whether or not the same now appear of record including but not limited to the right of ingress and egress to the Property.

B. HAZARDOUS SUBSTANCE ACTIVITY COVENANT

Pursuant to Section 120(h)(4), 42 U.S.C. § 9620(h)(4), of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. §§ 9601 - 9675, the Grantor hereby gives notice that no hazardous substances or petroleum products or its derivatives are known to have been released, or disposed of, on the Property.

Pursuant to CERCLA Section 120(h)(4)(D)(i), 42 U.S.C. § 9620(h)(4)(D)(i), the Grantor warrants that any remedial action, response action or corrective action found to be necessary after the date of this conveyance shall be conducted by the United States of America. This covenant shall not apply in any case in which the Grantee, its successors(s), or assign(s), or any successor in interest to the Property or part thereof, is a Potentially Responsible Party with

respect to the Property immediately prior to the date of this conveyance. This covenant shall not apply to the extent, but only to the extent, that such additional remedial action, response action or corrective action, or part thereof, found to be necessary is the result of an act or failure to act of the Grantee, its successor(s), or assign(s) or any party in possession after the date of this conveyance that either:

A. Results in a release or threatened release of a hazardous substance or a petroleum product or its derivative that was not located on the Property on the date of this conveyance; OR

B. Causes or exacerbates the release or threatened release of a hazardous substance or a petroleum product or its derivative, the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.

In the event the Grantee, its successor(s), or assign(s) seeks to have the Grantor conduct or pay for any remedial action, response action, or corrective action, and as a condition precedent to the Grantor incurring any obligation or related expenses, the Grantee, its successor(s), or assign(s) shall provide the Grantor at least 45 days written notice of such a claim and provide credible evidence that:

A. The claimed hazardous substance or petroleum product or its derivative requiring remedial action, response action, or corrective action was located on the Property prior to the date of this conveyance in such quantity that the requested remedial action, response action, or corrective action by the Grantor was required under law applicable at the time of this conveyance; and

B. The need to conduct any remedial action, response action, or corrective action, or part thereof, is and was not the result of any act or failure to act by the Grantee, its successor(s), or assign(s) or any party in possession.

Pursuant to CERCLA Section 120(h)(4)(D)(ii), 42 U.S.C. § 9620(h)(4)(D)(ii), the Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action on this Property or on adjoining property. This reservation includes the right of access to and use of available utilities at reasonable cost to the Grantor. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in

which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property.

Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. The United States of America shall, to the extent practicable, coordinate any such entry, including such activities, responses or remedial actions, with the record title owner and perform any such entry in a manner that minimizes interruption with activities of authorized occupants.

D. NOTICE OF PRESENCE OF LEAD-BASED PAINT (LBP)

1. GRANTEE hereby acknowledges the required disclosure, in accordance with the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. 4852d (Title X), of the presence of any known lead-based paint and/or lead-based paint hazards in target housing constructed prior to 1978 on the PROPERTY. This disclosure includes the receipt of available records and reports pertaining to lead-based paint and lead-based paint hazards; receipt of the lead hazard information pamphlet; and inclusion of the 24 CFR 35 and 40 CFR 745 disclosure and lead warning language in its contract of sale. GRANTEE further acknowledges that GRANTEE was given the opportunity to inspect, and thereby assess, the PROPERTY for lead-based paint hazards.
2. GRANTEE covenants and agrees, that in any improvements on the PROPERTY defined as "target housing" by 24 CFR 35 and constructed prior to 1978, lead-based paint hazards will be disclosed to potential occupants in accordance with Title X before any use of such improvements as a residential dwelling.
3. GRANTEE further covenants that GRANTEE, with respect to target housing constructed prior to 1960, will abate, at GRANTEE's own cost, all lead hazards in accordance with 40 CFR 745.227(e) and other applicable laws and regulations, prior to the occupancy of any residential structures on the PROPERTY. GRANTEE agrees, at no cost, to make current any risk assessment provided by the Government if more than 12 months have elapsed since the risk assessment was

prepared and the commencement of on-site preparation activities for the abatement. Following the abatement, GRANTEE shall obtain a clearance examination, in accordance with 40 CFR 745.227(e) and 24 CFR 35.1340 (c) through (f) and conducted by a person certified to perform risk assessments or lead-based paint inspections. The examination must show that the clearance samples meet the standards set forth in 24 CFR 35.1320(b)(2). GRANTEE must obtain a clearance report, prepared by a person certified to perform risk assessments or lead-based paint inspections and in accordance with 40 CFR 745.227(e)(10). Prior to occupancy of the PROPERTY, GRANTEE shall provide GRANTOR with a fully executed CERTIFICATE OF COMPLETION OF LEAD ABATEMENT the form of which was set forth in the sale document which gave rise to this Deed Without Warranty.

4. GRANTEE covenants and agrees that in its use and occupancy of the PROPERTY it will comply with 24 CFR 35 and 40 CFR 745 and all applicable Federal, State and local laws relating to lead-based paint; and that GRANTOR assumes no liability for damages for property damage, personal injury illness, disability, or death, to GRANTEE, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with lead-based paint on the PROPERTY described in this deed, whether GRANTEE, and its successors or assigns, have properly warned or failed to properly warn the individual(s) injured. GRANTEE further agrees to indemnify, defend and hold harmless the GRANTOR from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise or be made against the United States of America, due to, or relating to the presence of lead-based paint hazard on the PROPERTY, any related abatement activities, or the disposal of any material from the abatement process.
5. GRANTEE covenants and agrees that it will comply with all Federal, state, local, and any other applicable law regarding the lead-based paint hazards with respect to the PROPERTY.

E. ASBESTOS CONTAINING MATERIALS

1. The Purchaser is warned that the Property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
2. The Purchaser is invited, urged, and cautioned to inspect the Property to be sold. More particularly, the Purchaser is invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government assisted bidders in obtaining any authorization(s) which may be required in order to carry out any such

inspection(s). The Purchaser shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.

3. No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of the Purchaser to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
4. The description of the Property set forth in the IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
5. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
6. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

F. PESTICIDES

The Grantee is notified that the Property may contain the presence of pesticides that have been applied in the management of the property. The United States knows of no use of any registered pesticide in a manner inconsistent with its labeling, and believes that all applications were made in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA -- 7 U.S.C. Sec. 136, et seq.), its implementing regulations, and according to the labeling provided with such substances. Furthermore, that in accordance with the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA -- 42 U.S.C. Sec. 9601, et seq.), the use of such substances is not a "release" (as defined in CERCLA, 42 U.S.C. Sec. 9601 (22)), but instead the use of a consumer product in consumer use (42 U.S.C. Sec. 9601(9)), and the application of a pesticide product registered under FIFRA for which recovery for response costs is not allowed (42 U.S.C. Sec. 9607(i)).

G. POSSIBLE PRESENCE OF MOLD NOTIFICATION

1. The Grantee is notified that various forms of mold may be present at various locations in the subject building(s) on the Property. Molds and mold growth may

create toxins that can cause adverse health reactions to some humans after exposure, and which falls within the CERCLA "Limitations on Response" standards found at 42 U.S.C. 9604 (a)(3). The Federal Government has not set Standards or Threshold Limit Values for airborne concentrations of mold or mold spores.

2. Information provided to Grantee with respect to the Property is based on the best information available to the U.S. General Services Administration and is believed to be correct, but any error or omission, including, but not limited to the omissions of any information available to the agency having custody over the Property and/or any Federal agency, will not constitute grounds for liability for damages against Grantor for personal injury, illness, disability, or death, to the Grantee, its successors, assigns, employees, invitees, or any other person subject to the Grantee's control or direction.

H. COASTAL ZONE

The property is located within the Texas Coastal Zone. Any use of the conveyed property will be subject to coastal management regulations and other applicable Federal, state, and local statutes, and ordinances relating to coastal management.

I. RESERVATIONS

This sale is made and the conveyance of the hereinabove described Property shall be made under and in consideration of the following **reservations** which shall be set forth in the final instrument of conveyance in the following manner:

GRANTEE Covenants, for himself and his successors and assigns, that any and all covenants described in this Deed shall run with the land and shall bind the GRANTEE and any successors and assigns of the GRANTEE to the restrictions, agreements and promises made in such covenants, in perpetuity. GRANTOR shall be deemed to be a personal beneficiary of all covenants and warranties, without regard to whether it remains the owner of any land, or interest therein, in the locality of the Property, and shall have the right to enforce these covenants and warranties in any court of competent jurisdiction.

TO HAVE AND TO HOLD the Property above described and mentioned, and hereby intended to be conveyed, together with all the rights, privileges, appurtenances and advantages thereto belonging or appertaining unto and to the proper use, benefit, enjoyment, and behoof forever of the GRANTEE, his heirs and assigns, forever, **SUBJECT** as aforesaid.
